TERMS OF CONTRACT

1. Restriction on Location of Exhibits & Solicitation. Vendors are not permitted to conduct or solicit business in the exhibit hall unless they have rented exhibit space. Vendors are not permitted to exhibit products and services at the conference except in the exhibit hall or conference program time slot.

2. Booth Assignments. Booth assignments will be made in the order that payment is received at Archives & Museum Informatics. To be complete, a contract must include the full rental fee and all required texts. Assignments will not be made until all required rental fees have been paid. Archives & Museum Informatics reserves the right to change booth assignments at any time.

3. Booths. Each exhibit space (8' x 10') includes draped back and sides, one 6' draped table, 2 chairs, one 500 watt electrical outlet, and a 10baseT connection to the Internet. No credit is provided for equipment that is not used. Additional booth furnishings, audiovisual equipment, electrical and telephone connections, signs and drayage services are for an additional charge. If an exhibitor plans to install a completely constructed display so that the standard booth equipment is not desired, they should so indicate on their space reservation form. In this case, no part of the constructed display shall project so as to obstruct the view of adjacent booths. Booth side dividers of a height in excess of 35" must not extend further than three feet out from the back wall. Booth walls must not exceed eight feet in height. Island exhibits must not include any walls that block visibility of neighboring booths. Any exception must first be approved by Archives & Museum Informatics. Audiovisual equipment must not be played at a level that would interfere with adjacent exhibitors.

4. Internet Connections. Network access will be provided on 10/100 baseT connections T1 to a local ISP; actual throughput speeds are not guaranteed.

Contracts received after Feb. 1, 2003 will be assessed a \$200 late fee. Exhibitors may cancel this agreement by written notice to Archives & Museum Informatics. Cancellations made prior to December 31, 2002 are subject to a 50% cancellation fee. No refunds will be granted on cancellations made after January 1, 2003.

6. Union Clearance & Exclusivity. In order to conform to union contract rules and regulation, all exhibitors must use qualified union personnel for the various services required for installation and dismantling of exhibits and for material handling within the show. All service providers contracted by Archives & Museum Informatics have union clearance. Exhibitors must use the service provider designated by Archives & Museum Informatics for drayage and rigging, electrical, plumbing, and custom cleaning services. For other services, exhibitors desiring to use contractors other than those designated must submit the necessary certificates of insurance in advance so that permission can be secured for said contractor to operate.

7. Use of Space.
